Letters and Emails

"A reminder to all dog owners and walkers that it is an offence, with a substantial fine, to allow your dog to foul public places without either bagging it and taking it home (this does not mean throwing the bag in to the nearest hedge) or disposing of the bagged waste in the dog waste bins provided.

Please have the courtesy, on no occasion, to allow your dog to foul private property.

The incidences of fouling seem to have increased with a lack of regard to private or public property and in some cases a disregard to the fact that the waste bin is within yards of where the fouling has occurred.

I appreciate that the vast majority of owners dispose of their dog waste responsibly, but, what is always the case, a few spoil the environment for all".

CATCH PHRASES

I received the following catch-phrases for our photo on the front page of the March issue;

**Hay, don't tell me you all forgot the logon.

Thank you to those who took the time to come up with one.

The Luncheon Club

34 Very full and happy seniors left the Village Hall recently after enjoying a meal of Roast Beef with all the trimmings.

This was followed by selection of puds, cheese and biscuits, all complemented with a few, glasses of wine.

The special lunch was to celebrate 34 years of the club being formed.

A vote of thanks was given by Eileen Johnson, for the excellent service and food supplied by the team.

SPRING INTO THE WOODLAND PLAY PARK!

It's officially open! After a frantic few final weeks of constructing the new pathway, moving topsoil, laying turf, raking paths, repairing walls, building a living willow tunnel structure and planting the Sensory Garden, the fantastic Woodland Play Park in Swalcliffe was completed just in time for the Official Opening Ceremony which took place on Tuesday 12th March. It has been a heroic effort, carried out by a great team of village volunteers and masterminded throughout by Swalcliffe resident, David McLindon.

David has personally devoted many hours to ensure that the Woodland Play Park community project was completed on time, on budget and looking absolutely marvellous in the Spring sunshine on the Monday afternoon...

Unfortunately, the next morning brought strong winds and rain, but the Woodland Play Park was declared open in a ribbon-cutting ceremony by Neil Urquhart, Chairman of Swalcliffe Parish Council. More than 30 people, who supported the project through its four-year planning, design and construction journey, attended the event, kindly hosted by Swalcliffe Park School. It included representatives from the main funding organisations, such as Cherwell and South Northants District Council, Swalcliffe Parish Council and Banbury Charities, and key supporters such as the Governors and senior management team of Swalcliffe Park School and Cllr George Reynolds.

We are all hoping for better weather for the Grand Launch Party on Saturday 30th March where local children will be able to enjoy woodland creature and bug-related activities. Every child will receive a free goody bag full of surprises and have lots of fun getting to know the magic secrets of the Woodland Play Park.

As the weather warms up and the trees burst into leaf, the Woodland Play Park will hopefully become a favourite outdoor destination for children from our two villages (and the surrounding community) when they need to let off steam! It is designed for children to play, explore, learn and enjoy the rich biodiversity of a native English woodland in a safe and secure setting. It is a magical, tranquil space and we hope that it will be an amenity enjoyed by everyone – come and see for yourself!

Swalcliffe Community Woodland Play Park is at OX15 5EP, access via the wooden gate in the wall, not the School drive. If you have any comments or feedback about this new amenity, please email the Management Committee via the village website www.swalcliffevillage.co.uk

SWALCLIFFE PARISH COUNCIL

Draft Notes from Parish Council Meeting held 25th February 2019

To approve the minutes of the meeting of 14th January 2019

The minutes were approved and signed.

Public Participation Session

Concern was expressed at the speed of vehicles leaving Swalcliffe Park School. Cllr Smith will talk to them about extra signage at the top of their drive.

To consider planning application 19/00171/F, Erection of a Veterinary Building at SPE, Park Lane

The Chair had circulated a summary sheet noting the main points of the application.

Mr Richard Taylor (the applicant) was at the meeting and advised that they were approached by Hook Norton Vets (HNV) one year ago. They want to move the equine side of the business and keep the small animal business and dispensary where they are. There will be eight nurses coming and going and about five horse boxes per day. HNV will continue to grow the small animal business. Concern was expressed at the signage and lorries using Park Lane. It was agreed not to object and make the observation about better signage to prevent lorries from using Park Lane.

To consider proposals to improve the village hall

A meeting was held at the village hall with Tracy Lean and Kate Foley of the VHC, the Chair, Cllr Smith and Cllr Taylor of the PC. It was agreed a survey with an EPC needs to be carried out to understand what is needed as a whole. The layout of the hall will be looked at. Access to the kitchen via the meeting room has always been an issue. There could be better use of the rooms and flexible partitioning is to be considered. It is hoped that there will be new heating in place by next Autumn.

Finance

The following payments were approved:

£220.00 to N Morris (Christmas tree)

£155.98 to Parish Clerk (purchase of VAS batteries)

£138.97 to OALC (subscription)

£6442.99 to Playdale Playgrounds Ltd (play equipment)

£376.94 To Parish Clerk (hours)

£31.40 to HMRC

£17.00 To Parish Clerk (expenses)

£30.00 to Parish Clerk (float for heating the village hall for PC meetings)

£145.00 to Swalcliffe Village Hall (hire of hall for meetings)

It was agreed to give a donation of £90.00 to the Link.

It was agreed to give a donation of £400.00 to the PCC for the Church Clock service.

No objections.

YOUR INVITATION

**You are cordially invited to a party at the house of Henry Purcell
 in the year of our Lord 1686.**

**Find out what happens when some of his more distant friends from
 rural Sweden and beyond gate-crash the party with their
 various and diverse instruments and music.**

Purcell's Polyphonic Party are a trio of skilled multi-instrumentalists who come together to combine their love of Purcell, Playford, Baroque and the Nordic Noir. Their concert set offers a light hearted programme of music mainly from the 17th and 18th centuries, seamlessly blending folk with baroque, Swedish, British and more. Prepare for a humorous fusion of tunes, songs and stories featuring an armoury of unusual instruments including the spinet, nyckelharpa and viola d'amore, with a light sprinkling of accordion, bagpipe, gandola and flageolet for good measure.

**Let yourself be transported back to the year 1686 to witness an unusual but
 rather wonderful party with some astonishingly good music.**

NEWS FROM SIBFORD GOWER ENDOWED PRIMARY SCHOOL

In addition to all our other exciting learning at school, we have been having a particular focus on **reading** in school during the last few weeks. The children joined in World Book Day with great enthusiasm and particularly enjoyed having the opportunity to spend some time reading and sharing favourite books, just for pleasure, with children from different year groups and different classes.

In the week following World Book Day, we held a 'Reading Week' in school, during which parents and carers were invited into classrooms for the first half hour of each school day to share books with their children. This is always very enjoyable; we had a good turn-out and it was lovely to be joined by a number of grandparents too.

Continuing the book theme, the topic for the children in Beech Class this half-term has been linked to the wonderful Katie Morag books, written by Mairi Hedderwick. The class role-play area has been transformed into the island Post Office on the Scottish island of Struay, complete with rocky beach and seascape. This has provided a great practical environment for all sorts of planned opportunities for the children to develop their language and maths skills through 'play' activities. These enjoyable books have also provided the stimulus for diary writing, poetry and some beautiful art work.

One of the children was even inspired to dress as Katie Morag, as a favourite book character, on World Book Day.

Sibford School students step out for Cystic Fibrosis

Two Sibford students are walking 102 miles across three counties to raise money for the Cystic Fibrosis Trust.

Seventeen-year-olds Dominic Mills and Henry Burton will be setting out on Saturday 6 April to walk the Cotswold Way from Bath to Chipping Campden.

They will be walking virtually non-stop, including through the night, and hope to complete the journey in around 32 hours.

Dominic said: "The aim is to raise money for CF and also general awareness of the condition. Cystic Fibrosis affects more than 10,400 people in the UK. You are born with CF, you cannot catch it later in life, but one in 25 of us carries the faulty gene that causes it. The Cystic Fibrosis Trust is working towards a brighter future for everyone with CF by funding cutting-edge research.'

CAN YOU SUPPORT YOUR LOCAL SHOPS AND MARKET.

Local shops and markets are struggling to stay afloat.

I can remember coming to Banbury 25 years ago, There was a large array of boutique style shops and a good market .

I love markets, there is something satisfying about being able to buy fruit and vegetables without the packaging.

Going for a shopping spree, followed by a cuppa in a coffeeshops in town what more can you wish for.

Unfortunately most people feel that they do not have the time, parking is too expensive, shops are all closing etc.

And ofcourse for some people it just is not that simple, we can not all get into town that easy, and for those it is great that we can buy online.

But what will happen if we really can no longer go into the shops or pop to the market?

For some going into town is a much needed way to interact with others or get themselves out of the house.

Where would you get your inspiration? Your last minute .com present?

Your fresh flowers to say sorry? Your urgent replacement outfit because the one you thought you could wear has been eaten by moths?

Have you ever timed how long it takes you to scroll the internet to find that special present or outfit? Found yourself where you need 'it' NOW (Whatever 'it' is)?

How much do we pay for delivery? Does it really exceed car parking charges?

What was first the chicken or the egg?

If we understand the true story and impact of our shopping ways, maybe together we

TADMARTON FILM CLUB !!

Have you heard the fabulous reviews on The Taddy film club? If not you hang out with the wrong people....

There have been some excellent films, some which have sparked debates, some which made us cry, some which have amazed us and one which helped to boost the collection for the local food banks.

The chairs are comfortable, the coffee fresh, the sweets, the crisps and ice creams are fabulous.

Raffle tickets are for sale on the Saturday evening and Wednesday matinee and you can win a variety of prizes; one of which is always the film shown. So if you can not make it, you can always try to win the film. The raffle is also open to Non-Members.

Membership is £15 for a year from August through to July or on a pro-rata of £1.25 per month. So grab your membership now. Non-villagers or friends and family are also very welcome.

The film is shown the last Saturday of the month in the evening and there is the Wednesday matinee showing the week following.
